### Chat With the Preacher — The Gift of Religious Liberty

As grateful as I am for watermelon on Independence Day, I am even more grateful for the gift of religious liberty. In the first amendment to the U.S. Constitution we are told, “Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof.”

J. Brent Walker, Executive Director of the Baptist Joint Committee for Religious Liberty, explains, “The First Amendment has two religion clauses which protect religious liberty, but by different means. The Establishment Clause (“Congress shall make no law respecting an establishment of religion”) keeps government from advancing or privileging any religion or religion in general. The second clause, the Free Exercise Clause (“or prohibiting the free exercise thereof”), keeps government from interfering with religious practice absent some paramount governmental interest such as peace, safety, or public health and welfare.”

Most Christians unanimously celebrate the Free Exercise Clause, but when it comes to the No Establishment Clause, the reviews are mixed. The reality, however, is that you cannot have one without the other. True religious liberty requires that the church (or synagogue, or mosque) be separate from the state.

The Virginia Baptist preacher, John Leland (1754-1841), offered this prophetic wisdom about the separation of church and state, “Experience...has informed us that the fondness of magistrates to foster Christianity has done it more harm than all the persecutions ever did.” Leland understood that authentic Christian faith flourishes best without the help of the government.

The Christian imperative of loving one’s neighbor requires (or at least it should) that we extend religious liberty to all people. Leland summarized the issue, “The notion of a Christian commonwealth should be exploded forever.... Government should protect every man in thinking and speaking freely, and see that one does not abuse another. The liberty I contend for is more than toleration. The very idea of toleration is despicable; it supposes that some have a pre-eminence above the rest to grant indulgence, whereas all should be equally free, Jews, Turks, Pagans and Christians.”

I suggest we explode a couple of fireworks on the Fourth in honor of John Leland, James Madison, Thomas Jefferson, and all the other wise souls who fought for religious liberty. More needed than fireworks, however, are people willing to advocate for religious liberty. We need people—of all faiths and no faith—standing together to ensure the gift of religious liberty for generations to come.

Now, would you please pass that watermelon?

Grace and Peace, *Jeff*

## **SUMMER SABBATH**

For the month of July, there will be no Sunday School. (Children will still have activities during 10am worship). We'll worship at 10am on July Sundays, giving you plenty of time for Summer Sabbath activities. The Chancel Choir will also be on hiatus until August 10.

## **I LOVE MY CHURCH**

Sunday, July 31, is a "Fifth Sunday." We will collect the "I Love My Church Offering" that week, and there will be no evening activities. There's also a Quarterly Church Conference following the service on July 31.

Thermal Belt's Food Pantry will put them to good use! There is a receptacle for them in the hallway closet opposite the Lair Sunday School room.

## **SABBATH OPPORTUNITIES**

### **SPIRITUALITY BACKPACK RETREAT JULY 8-10**

We had a great time backpacking in the Grayson Highlands / Mount Rogers area last year, and we're looking forward to another great trip. This year's retreat will be July 8-10. I hope you'll consider joining us.

The purpose of the backpacking trip is to provide an opportunity for Sabbath in a natural environment and to help participants explore opportunities for prayer and silence. We'll also have a lot of fun! This trip is open to anyone 16 or older who can carry at least 30 pounds on his/her back, while hiking 5 to 7 miles per day in mountainous terrain. If you are under 16, you must be accompanied by a parent.

### **VBS AUGUST 1-4**

**Vacation Bible School at FBC is scheduled for Aug 1-4** (Monday-Thursday), 6-8:15pm. This year's theme is "Surf Shack: Catch the Wave of God's Amazing Love." We need your help. We are looking for pre-school teachers. For children grades 1-5 we need adult guides for age-level groups, an assembly leader, and a supply coordinator. If you would be willing to help with VBS in any of these areas, please contact Candy Wilson. Registration forms are in the church office, or you may call to register.

### **CAROWINDS JULY 26**

We're going to Carowinds! This is a trip for the whole family. We'll depart for the park July 26 at 8:00am (from the Food Lion parking lot) and return no later than 8:00pm. Youth, children, and adults are invited and encouraged to participate! The cost of the trip is \$40, which includes an all-day pass to the park and transportation to and from the park via coachline. Important things to note: we **will not** make use of the waterpark that day, and children who have not completed the third grade must be accompanied by a parent.

### **BASEBALL WITH THE ASHEVILLE TOURISTS, AUG 7**

Take me out to the ballgame! We have tickets to see the Asheville Tourists play ball, at 2pm on August 7. Cost of the game is \$5 for children under 12 and seniors (adults \$7), and there is a sign-up sheet in the education hallway. We have a shaded section of the ballpark reserved just for us, so join us for a good afternoon of fun.

## VISITATION LOVE—FATHER’S DAY EDITION

The Visitation Team, busy signing Father’s Day cards and stuffing gift bags for nine of the greatest men from Tryon First Baptist Church. Thank you to Evelyn Umphlett and our sweet Miss Eden Elaine for baking homemade cookies for our Dads.

We appreciate Nancy Britton inviting the Visitation Team into her home to make these very special gifts for our shut-ins. Nancy had her son, Chuck, cut small wooden blocks (thanks, Chuck). We wrapped and tied a ribbon on each block with this sweet message attached. What a wonderful time of fellowship!

This is a very special gift  
That you can never see.  
The reason it's so special is  
It's just for you from me.

Whenever you are lonely  
Or ever feeling blue,  
You only have to  
hold this gift  
And know I think of you.

You never can unwrap it.  
Please leave the ribbon tied.  
Just hold the box  
close to your heart  
It's filled with love inside.

It is always special to see our children spending time with our homebound and shut-ins.

## WHITEWATER RAFTING ON THE FRENCH BROAD, JUNE 16

Thursday, June 16 was a perfect day to be in the water—the day was hot, the river cool. A group of about 20 enjoyed the outing to the French Broad River, and were rewarded with a cool spray and lots of fellowship. Join us for Summer Sabbath opportunities—there are sign up sheets for the activities in the Education hallway. We'd love to have you join us!

## FIRST BAPTIST'S DISPLAYS FOR 125th ANNIVERSARY

As we continue to celebrate First Baptist's 125th Anniversary, please see the displays in the narthex. Lib McKeller and Shirley Edwards have put one together marking some of the weddings that have taken place in the sanctuary, and Elizabeth Burrell has created a historical display, featuring a model of the first church, made by Guy Taylor. We thank everyone involved, and hope that you'll join us for the big celebration in worship on Sunday, October 2nd of this year.

## The David Stillerman Fishing Project of FBC Tryon

First Baptist Families,

We'd love to have you go fishing with us.

While Hooked is great for parents and children, everyone is welcome!

You do not need any fishing equipment (you can certainly bring your own if you wish), experience, or license. We will supply fishing equipment, instruction, drinks, and a light dinner. We do ask that at least one parent be present with children. This is great opportunity to foster friendships with each other, and with others from our community (especially with foster children and those involved with Big Brothers/Big Sisters.)

Here are a few reasons we think "Hooked" is worthwhile:

- Get outside . . . teach kids and others to enjoy and respect the outdoors.
- Encourage friendships . . . with children and with adults.
- Learn how to fish . . . fishing is a great hobby, that teaches patience and perseverance, builds confidence, and can be enjoyed for a lifetime.
- Have fun!

We'll go fishing at these times and places, and hope that you can join us:

Sept 25     White Oak Mountain, 2-5pm

Oct 16     Tryon Estates, 2-5pm

If you plan to attend, please RSVP, as that will help provide the correct amount of fishing equipment, volunteers, and food.
